New Milton – bigger and better at seventy

Tavistock provide a ‘baptastic’ treat

New Milton & District RT 113 has been having fun and raising money for local good causes for 70 years, and to prove it the Table held its 70th Charter Night on October 13.

In recent years the Table has been involved in the New Milton Pedal Car Grand Prix, Mudsford Lifeboat Fun Day and Alternative Ascot Night, and they enjoy an annual competition to see who is best at darts, pool, snooker and table tennis.

Also, through their “Conception” role playing games convention, the Table has given sizable donations to local good causes such as the Air Ambulance, Children’s Wish and to a young local lad who needed a special wheelchair.

The Table’s latest annual bonfire event was a great success, particularly with the fire built in the shape of a cake!

- New Milton Table Neil Jones will be taking part in the London Marathon in 2008 in aid of Children’s Wish so if you fancy sponsoring him, please contact the Table or log on at www.justgiving.com/neiljones.

Tavistock RT 661 makes “possibly the best bacon baps in the world”, according to their ‘Media and PR department’.

Last year’s Goosey Fair Day was no exception, with 300 baps being sold before 1pm. Leaving the afternoon free for the hard working team to visit every watering hole in Tavistock, known to man, confident they had raised over £200 for good causes.

For those interested in such historical events, Gooseday take place on May 19th with Tankfest on May 28th. The Tavistock Round Table is a non-profit organisation, and all proceeds go to local and national charities.
